
Please note a few tips about our office location.

1. Many GPS systems have our address as 25 Rockdale St., Braintree.
2. Should you arrive at office and the guard gate is down mid-way up the hill, slowly drive right up to the gate and it will automatically raise.
3. For handicap access to the building: Enter the driveway by going to the right to the rear of the building. There you will find the blue awning for Kennedy Brothers Physical Therapy and the handicap parking spaces. The elevators are straight ahead and on the right. Highland-March is on the 2nd floor in suite 200, through the glass door at the end of the corridor.
